

Aurora Yellow Cap Shoot August 2013

All of us at Aurora would like to extend a massive thank you to everyone who supported us at The Yellow Cap Shoot! It was great to welcome so many of our archery friends to our first event and we were blessed with fabulous weather making for a truly wonderful occasion.

Along the lines of the coveted Green Jacket sought by the golfers competing in the US Masters, we wanted to do something a bit different which is why we went for the yellow cap idea and it worked really well with the winner of each class being awarded one. Many congratulations to all the winners.

As always the course, expertly designed by Paul Little, was top notch and very well received by the archers. Beautifully staged using the varied terrain to best effect with picturesque and deceptive shots around every corner, each one a picture postcard of deviousness. Big thanks to Paul, Neil and Ian for their tireless efforts and creativity in laying the course and Mick and Freddie for marshaling over the weekend, all looking resplendent in bright pink florries!

Coming on to the catering, well what can we say other than we all walked away feeling very well fed indeed and in need of a 10 mile run (I lied there). Huge thanks due to the Catering team led by Sue and Steve with Pete and Agnes whose cakes are now legendary.

Thanks to Danielle for running the raffle and we even had our own mobile first aider and trouble-shooter Ian Leonard having way too much fun bombing up and down the road on his quad bike able to respond at a moment's notice.

Final thanks must go to Lord Petre the owner of these fabulous woods and to Mick Mitchell who kindly lets us take over his Radical Bikes venue for the weekend and acted as our Lord Paramount. Without their support and generosity none of this would be possible, we are eternally grateful.

It also provides for some pretty spectacular half time entertainment!

A full set of photos are available at the link below courtesy of Jane our resident photographer – thanks Jane!

So, thank you once again for supporting us we really appreciate it. We plan to hold our next weekend shoot in March so please do look out for the notices, in the meantime safe shooting and see you at a woodland near you!
